Dear Mr. Sunchul Yun,

On behalf of King Prajadhipok's Institute (KPI), I would like to express our gratitude for the excellent visit we had to the Citizens' Coalition for Economic Justice.

We are most grateful for your hospitality. Please thank all those concerned on our behalf. We found the discussion most useful as it gave us an informative overview on liberal democracy in the Republic of Korea and the process of concrete democratic development.

We greatly appreciated the answers given for our research questions during the in-depth interview. Our researchers gathered useful information and many helpful lessons particularly in public participation and civic engagement. The interview was most informative and will certainly contribute to the success of our research project.

Thank you for your warm hospitality and kind cooperation. May I send you, your colleagues and your families our best wishes for the future.

Yours sincerely, with highest regards,

(Prof. Woothisarn Tanchai)
